

# WATER EDUCATION UPDATE

**SUMMER | 1<sup>st</sup> EDITION**  
Tuesday, July 21, 2020

The Water Replenishment District's Education Program features interactive student activities that present interesting topics on the importance of groundwater, water treatment, and conservation.

## WATER NERD CERTIFICATE

Calling all WATER NERDS! Complete a series of water related activities located on our Teacher's Lounge webpage for an opportunity to receive a WRD Water Nerd Certificate and water conservation prizes!

Activities can be found at  
<https://www.wrd.org/TeacherLounge>

## VIRTUAL TOUR OF THE ALBERT ROBLES CENTER FOR WATER RECYCLING AND ENVIRONMENTAL LEARNING (ARC)

Students can take a live-hosted virtual field trip of ARC and experience a unique state-of-the-art water education center. Field trips are available to schools and youth organizations. To schedule a virtual tour contact Monica Sijder at [msijder@wrld.org](mailto:msijder@wrld.org)

## WATER CONSERVATION BRACELET (Home Activity)

WRD's Water Conservation Bracelet Activity teaches students how to conserve water during their everyday activities. Request your free conservation bracelet kit and start your water saving journey today!

## STORY TIME WITH A WATER-NERD

Do you need someone to read to your class? We have Water Nerds that want to share their love for water related stories. Reading sessions will be conducted virtually. For more information contact Monica Sijder at [msijder@wrld.org](mailto:msijder@wrld.org)

## 2021 WRD WATER AWARENESS CALENDAR CONTEST SUBMISSIONS NOW OPEN!

WRD's Annual Student Art Contest encourages students to share messages on the importance of groundwater and water conservation. This contest is open to students in grades K-6 who reside in the WRD service area. Winners will be featured in our Water Awareness Calendar and may be eligible for other prizes.

For contest rules visit:  
<https://www.wrd.org/StudentArtContest>

## WE'VE GONE VIRTUAL!

The WRD Eco Gardener Program is now offering virtual classes that you can attend from the comfort of your own home. Join us and learn about sustainable projects for your home and garden.
